

~~INTERCULTURAL PROCLAMATION~~

***THE INTERCULTURAL ADVISORY COUNCIL OF THE PENTECOSTAL HOLINESS CHURCH
DECLARES ITS COMMITMENT TO THE GREAT COMMISSION, WHICH MANDATES US TO
PREACH THE GOSPEL TO EVERYONE EVERYWHERE.***

Therefore:

We recognize...

1. The Sovereignty of God which represents the church with one of its greatest opportunities to fulfill the Great Commission by reaching the ethnic groups of our nation. We declare that He is Lord of the Harvest, and that we will depend on Him to guide us in the task before us.

We recognize...

2. The cultural diversity of our society, our different levels of assimilation, and our needs for recognition, representation, and participation. We believe that God will raise leaders from various ethnic groups who will face the challenge to plant strong churches among the peoples of this nation.

We recognize...

3. The unity of the body of Christ and the importance of working together to pool resources, implement strategies, and build God's Kingdom. We declare that God's family is one without regard to race, color, language, or national origin. We believe that His Church is one, and that our task is also one. We affirm that every member of the Body is needed for edification, interaction, and involvement.

We recognize...

4. The planting of churches a one of the most effective means of fulfilling the Great Commission and declare our commitment to Mission 21, which makes the multiplying of churches a top priority in reaching the lost. We encourage existing congregations to become multicultural and to make their facilities available for the fostering of ethnic works. We challenge every church to share in the planting and nurturing of new ethnic churches.
